

ELEVATE

Elevate is a pitching competition for the startups with a chance get a total investment up to INR 10,00,000. This funding initiative not only aims to bring eminent startups from all across the nation, but also brings in world class mentors, thus providing a spotlight on the great opportunities for some of the most promising startups of the country.

The competition is planned to be conducted in series distinct, increasingly intensive of two rounds; prelims of which is the city-meetup round, **ElevateX**, that aims in bringing the competition directly to college campuses and co-working spaces across the country. These zonal rounds will serve as the audition for startups to bypass prelims and fast-track into finals.

Elevate, the finale session, will offer startups with growth potential, an opportunity to receive valuable mentoring and then pitch live to over 20+ World-Class Mentors, Investors and Judges, networking with like-minded professionals and leading entrepreneurs from across the nation and investment opportunities.

Through overall leveraging of the entire entrepreneurial ecosystems like never before, Elevate gives the startup, a chance to elevate their skills and at the same time, raise funds and get themselves into the huge pool of market opportunities and resources available.

GET A CHANCE TO BE A PART OF ONE OF THE MOST INTENSE COMPETITIONS ACROSS THE COUNTRY

Elevate gives you, an opportunity to become the lead organizer for ElevateX at your campus, thus helping your campus and zonal startups to struggle in one of the most intense Pitching Competitions of the country.

Ranging from the simple to the expounded ones, small to large, each of the ElevateX fetches one thing common: startups competing in each zone have gathered together on the same platform to share their experience, acumen, and their passion toward one single customary goal: to elevate themselves.
